action, thus increasing the powers of digestion, allaying irritation, reducing all unnatural swellings, stopping pair and inflammation, and causing the repairs and nutriments in the human body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health and vigor to the system.

My Buchu is good for all diseases arising

from excesses; such as Weakness, and Pain in the Back and Legs. Trembling in the re-gion of the Heart. Weak Nerves. Pallid Countenance, Dryness of the Skin, Scrofula. Syphilis, in its many forms, Ulcers, and If your system is affected by any of the above symptoms and diseases, relief is at

hand. Get a bottle of my Buchn and Bromide of Potassium at once and your ay rely on being cured. I know just what I say. My record as a Compounder of Medicine is second to no man DOORS, SASH, BLINDS AND GLASS in the Southwest.

Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be hind the prescription counter in the city in which I now dwell; I have cared more people of various diseases than all the physicians in Louisville put together Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medicines are a success -- a great success. Louisville is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their gans have been silenced. and their efforts have been abortive.

My Medicines are good and answer the purpose—that is the secret of my success. My repulation as a compainder of good, reliable articles is fully established. I believe my Buchu and Bromide of Pocassium is the best article now in the marketfor the cure of all diseases of the urinary or genito-unrinary organs such as Nocturnal Incontinence, britability of the Plad le and Urethra, Inflammation of the Pelvis of the Kidney, and all that class of diseases Buy a dollar bottle and be cured. Use as BOOTS, per directions in all cases.

JOHN BULL, M. D.

Manufacturer and Vender of the · CELEBRATED

TOR THE CURE OF

AGUE AND FEVER CHILLS AND FEVER,

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every ease more certain to cure, if its use is continued in smaller doses for a week or two after the pet 12 disease has been cheeked, more especially in limeult and long stunding cases. Usually, this medicine will not require any sid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-STBALE FAMILY PILLS will be sufficient.
